

## GDPR - information for our Customers / Suppliers

On May 25, 2018 the Regulation (EU) 2016/679 of the European Parliament of 27 April 2016, known as GDPR, concerning the protection of personal data (PRIVACY regulation), valid throughout the European Union, entered into force.

As required by law, **with this communication** we want to provide some information about the processing of data at our Company. As **Cariboni Group S.p.A.**, we periodically send communications relating to news, "breaking news", events, novelties, etc ... concerning our company, our products.

To do this, we use some personal information, such as Name; Surname; Company; Profession; E-mail; City; Country; Address; Phone; category of products of interest, which we have collected over the years, through trade agreements, registrations to our digital communication systems, participation in trade shows or industry events, and other similar activities.

Using this information correctly, solely for the purposes for which it was provided and ensuring data protection and security at all times is our priority.

The data provided are used for:

- being able to contact you at any time regarding the supply of products and services requested by you;
- sending you communications about new products and services that may be of interest to you;
- sending you commercial communications or administrative documents related to the services and products requested;
- sending you news or updates on the products, on the regulations in force and on the requirements in terms of product certification (CE marking, specific uses, ...);
- inviting you to trade shows / events / events in the sector.

The data are also used in an aggregate and anonymous way, to process analysis and statistics of internal use of the company, useful for continuously improving the service we offer. To send you our communications, we also use mailing services, which allows us to manage and optimize the sending of our Newsletter. The mailing service is guaranteed for us by a qualified service provider, which guarantees the management, protection and security of data in compliance with the GDPR Regulation and that respects the legal frameworks regarding the transfer of data.

**Personal data are processed for the time strictly necessary to achieve the purposes for which they were collected.**

According to the new regulation, we commit ourselves, on an annual basis, to proceed with the updating of the sending lists and of the requests for consent to receive communications.

**We remind you that at any time, you can choose to change the way you receive the newsletter by clicking on the link at the bottom of the message. You also have the right to request cancellation, transformation into anonymous form or blocking of data processed, and to oppose in any case, for legitimate reasons, to their treatment.**
